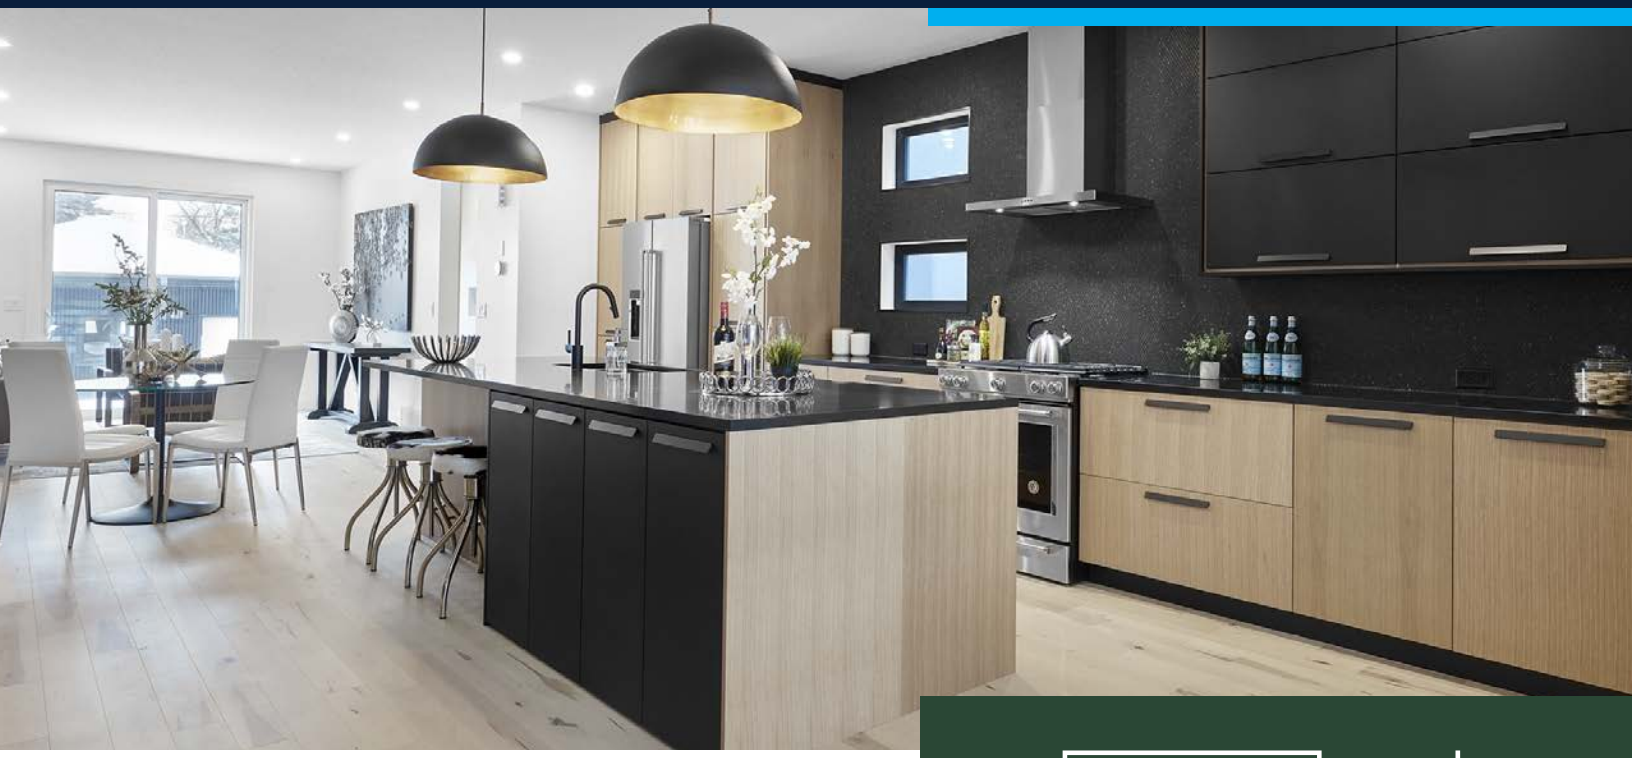
CASE STUDY



TIMBER HAUS DEVELOPMENTS

The Problem:

- Deals Sitting in Brief Cases or on Desks
- Tracking Change Orders a Nightmare
- Paperwork Coming in Low Res, Re-scanned & Crooked

The Solution:

- ✓ Sticks.ERP Stand Alone Sales Platform
- ✓ DocuSign® eSignature REST API integration

The Results:

- ✓ Deal Flow Control & Real-Time Pricing
- ✓ Contracts Sent Out & Received in Central Location
- ✓ Accessible to Anyone on the Team

"Sticks Software helped our company scale in an organized and efficient way... would definitely recommend to builders looking to make their life easier."

-Don Tolsma, President
